Thanks. Do you have a few minutes to talk about the housing linkage fee? Either today or Tuesday?

Thanks Marie. Did you have any additional information on this that CCA had generated? A summary for members or letter of support that notes reasons why CCA is supporting?

Thanks.

Marie – could I please get your assistance in providing a one pager? Could you please forward to both Carol and me?

Thank you.

I'm sorry, I can't make it to this meeting. Happy to discuss it with or to prep a one pager for you.

If it gets through the state process I'd definitely like to come to the board.

Please let me know if this works.

Thank you, Marie

Of course. Could you, or could you recommend someone who could, do a brief presentation to the board?

Thanks!

The next vote is scheduled for 9/11 so they'd have an opportunity to comment and support is welcome!

Also if the bill is ultimately approved it will not be effective until 2020 so cities can decide how/if to implement it.

Thanks so much for bringing this to your board.

Marie – I'd like to inform our Board of Directors about this. Our next board meeting is September 6th. If we did a presentation then, would the ordinance be passed or would they have an opportunity to comment if they wanted?

Thanks!
